OC-1183-86
18 December 1986

MEMORANDUM FOR: Deputy Director for Administration

25X1 FROM:

Director of Communications

SUBJECT: Weekly Report

25X1

2.

OC has denied a request by the National Communications System (NCS) to allow other NCS member agencies access to the CIA portion of the National Security Emergency Preparedness Telecommunications data base. NCS member agencies will be required to contact the Agency directly regarding specific requirements which will be evaluated on a case-by-case basis.

SUBJECT: Weekly Report

25X1

5. The OC Television Production crew has been tasked to stage and film a briefing tape for the Agency's Task Force on Compensation. The tape will feature a prologue by the Executive Director and introduce senior Agency members of the task force as well as provide a basic explanation of the compensation directive. The production will be done in conjunction with the Office of Training and Education.

25X1

25X1

7. A newly designed "Stress Training Program" was premiered during the reporting period by OC in concert with the Office of Medical Services. The course has a total of eight modules but delivers different phases of stress information to specific audiences.

8. Twenty-six individuals attended presentations on the "Professional Opportunities in Telecommunications" (POINT) program administered at Headquarters by OC recruiters during the reporting period. Seventeen expressed interest in a career with OC and will be tested for Telecommunications Officer positions.

9. MERCURY Program

25X1
